McGinnis Woods Sunsational Summer Camp 2016 Descriptions

This summer, along with our Sunsational Summer Camp, we will be offering several additional Academic and Specialty Camps. These camps are designed to give the campers a chance to have fun while learning more about a subject they enjoy in a focused, one week camp. These camps will be led by McGinnis Woods' teachers.

ACADEMIC CAMPS 9:30 a.m. – 11 a.m.

***Each Specialty or Academic Camp (except Swimming) will be $50 per week in addition to regular rates for enrolled campers unless otherwise noted. Swimming is $75.00 per week. The cost for students coming ONLY to Academic Camps is $125 per week and these campers will NOT participate in field trips.**

Reading and Writing Refresher

Grade: Rising K – 1st **Teacher:** Ms. Ryan Croom **Dates Available:** May 31 – June 3

Description: This week long camp will be a fun review of language arts skills. We will work on reading, writing and phonics each day while incorporating technology and the arts.

Fun with STEM

Grade: Rising 2nd – 8th **Teacher:** Ms. Sonia Walker **Dates Available:** June 6 – 10

Description: Join Ms. Sonia as you dive into science, technology, engineering, and math with several fun summer related STEM activities. Have a blast building, using technology, working with numbers, exploring the nature trail, and so much more!

Art Smorgasbord

Grade: 2nd – 8th **Teacher:** Ms. Megan Spann **Dates Available:** June 13 – 17

Description: Roll up your sleeves and join Ms. Megan for a week of exciting art! Campers will have a blast exploring different types of art media and creating clay sculptures, canvas painting, and more. Those who like all types of art will love this class!

Jr. Robotics

Grade: Rising PK – Rising 2nd **Teacher:** Ms. Lindsey Reeder **Dates Available:** June 20 – 24

Description: This camp is a perfect mixture of excitement and learning, using LEGO WeDo Robots. Using LEGO bricks, students follow step by step instructions to build an airplane rescue, a smart spinning top, a goal kicker, and a sailboat storm. They also learn how to program and operate their creations using a mini laptop computer.

Camp Invention

Grade: 2nd – 8th **Teacher:** Ms. Lindsey Reeder **Dates Available:** June 27 – July 1

Description: Campers will use tools, circuits, and recyclables this week to invent many different things! We will build prototypes, create motor-powered vehicles inspired by nature, construct a pinball machine, go on a bionic adventure and unlock clues to superhuman senses, and use nature's blueprints to invent and design. All of these exciting activities encourage creativity, innovation, and entrepreneurship.

America the Awesome!

Grade: PK – 3rd **Teacher:** Ms. Katie Steele **Dates Available:** July 5 – 8

Description: Join us this week for the exploration of some of the big moments in American history! We will explore the Mayflower and the pilgrims, the Revolutionary War, and the remembrance of 9/11. Don't miss this incredible week of why America is awesome!

Sr. Robotics

Grade: Rising 3rd & up **Teacher:** Ms. Lindsey Reeder **Dates Available:** July 11 – 15

Description: Explore Programming and Robotics with Lego MINDSTORMS NXT and EV3 Robots! By building the basic robot of their choice, understanding and using every sensor in the NXT and EV3 kit, and programming their robot, your child will create a story and record it using a video camera. At the end of the week, your child will master designing, building, and programming NXT and EV3 Robots. Also, your child will take home a DVD of their programmed NXT or EV3 story that they have recorded themselves which will give them "Miles of Smiles."

Super Science Adventures

Grade: Rising 3rd - 8th **Teacher:** Ms. Wendy Hamann **Dates Available:** July 25 – 29

Description: Science Camp will be so much fun! We will explore and experiment like real scientists using hands-on activities! Some of the activities will include hot and cold labs, the moon and the planets, force and motion, along with many others! Science can get messy, but that is fun as we will learn by doing!

SPECIALTY CAMPS 9:30 a.m. – 11 a.m.

Cooking

Grade: All ages **Teacher:** Ms. Valorie Williams **Dates Available:** various weeks
Description: Join Ms. Valorie as we create yummy cooking creations and learn cooking techniques and simple nutrition concepts.

Swimming

Grade: All ages **Teacher:** Ms. Valorie and Ms. Robyn **Dates Available:** various weeks
Description: Swimming lessons taught by McGinnis Woods' lifeguards. Students should bring swimsuit, goggles, change of clothes and a bag. Parents must sign separate permission slip.

Best of PE Sports

Grade: Rising K – 8th **Teacher:** Coach Cynthia Croom **Dates Available:** May 31 – June 3
Description: Coach Cynthia is calling all PE fanatics! Campers will spend the week playing everyone's favorite PE games. Whether campers play inside or outside, they will work up a sweat while having a blast!

Wiggle and Giggle

Grade: Rising K – 2nd **Teacher:** Ms. Sydney Skala **Dates Available:** June 6 – 10
Description: Come "get your energy out" during this week of fitness and fun with Ms. Sydney. Our campers will enjoy a variety of physical activities and imaginative play. Most activities will be inside to keep cool while we're working up a sweat!

2-Hand-Touch-Football

Grade: All ages **Teacher:** Mr. Josh Reiter **Dates Available:** June 6 – 10
Description: Get ready to score some points! Mr. Josh will help you learn the most important football skills and we will even have our own Super Bowl! Go Wildcats!

Cheerleading Camp

Grade: All ages **Teacher:** Ms. Stacey Jahanfar **Dates Available:** June 13 – 17
Description: Get ready for Wildcat Cheer Camp! Campers will spend each day learning cheers, dancing, jumps, crafts, and so much more. On Friday, campers will put on a special pep rally for campers! Come join the cheerleading excitement!

Seuss on the Loose!

Grade: PK – 3rd **Teacher:** Ms. Katie Steele **Dates Available:** June 20 – 24
Description: There's a cat, in a hat, and a fox, wearing socks! Watch out…Seuss is loose! Join us this week for stories, crafts, games and silly Seuss fun with all your favorite Dr. Seuss stories. Don't miss out on this fun and silly week!

Sports Sampler

Grade: All ages **Teacher:** Mr. Chris Williams **Dates Available:** July 11 - 15
Description: This exciting sports smorgasbord lets campers participate in a variety of sports. Each day will consist of multiple sports activities. Participants are welcome to bring their own equipment and balls if they would like.

Basketball Camp

Grade: All ages **Teacher:** Ms. Brittany Henderson **Dates Available:** July 18 – 22
Description: Come learn the fundamentals of basketball and have fun at the same time. This camp includes instruction to basic basketball skills, including passing, dribbling, shooting, and team-building plays. Come join us for a fun week of basketball!

A Culinary Tour

Grade: PK – 3rd **Teacher:** Ms. Brittany Henderson **Dates Available:** July 25 – 29
Description: Come join us as we prepare and taste foods from around the world! Each day will bring new treats as campers create and sample foods from across the globe. We will prepare entrees, appetizers, and desserts. At the end of the week, campers will compile their recipes into their very own recipe books so they can recreate their concoctions at home.

Cake Decorating

Grade: All ages **Teacher:** Ms. Brittany Henderson **Dates Available:** August 1 – 5
Description: The week will be spent baking cakes and cupcakes and then decorating them into fantastic confectionary masterpieces. On Friday, campers will sell their baked goods that they've spent all week creating to other campers. All proceeds will be donated to a charity chosen by the participants.
