Academic and Specialty Camp Descriptions

- **A Blooming Artist –** Campers will be painting with sponges, melting crayons, painting with marbles and having lots of messy fun.
- **Art and the Beach** – An incredible week of mixed media that will focus on everything beach.
- **Book Art –** Come and explore how illustrations are made. Campers will read a book, learn about the process and then create beautiful works in that style.
- **Canvas Painting –** Join the fun of creating your own canvas masterpieces in this exciting class.
- **Cooking/Baking** – Join Ms. Valorie as we create yummy cooking creations, learn cooking techniques and simple nutritional concepts. Each camper will wear face mask and gloves throughout entire cooking session.
- **Digging for Dinosaurs –** Become a paleontologist by digging for dinosaur bones, studying fossils, and considering how dinosaurs became extinct. We will recreate a fossil dig to uncover real dinosaur teeth and bones.
- **Fun with STEM–** Campers will dive into science, technology, engineering and math with several fun, summer related STEM activities.
- **Jr. Robotics (Rising Pre-K – 3rd) –** Experience a perfect mixture of excitement and learning using LEGO WeDo Robots that they will program and operate.
- **Motor Magic (Rising Pre-K – 1st) –** Fine motor skills are important for young elementary students. We will spend the week enjoying activities and games to strengthen and hone fine motor skills.
- **Pottery Class –** Create clay masterpieces from idea to product with our art teacher, Ms. Tanya.
- **Prepping for Pre-K (Rising Pre-K) –** Join one of our Pre-K teachers as she reads fun books, reviews letters and sounds, and completes hands-on activities to keep skills fresh for our students coming into Pre-K4.
- **Seuss on the Loose –** Join this zany week of games, crafts, and silly fun with your favorite Dr. Seuss stories. Don't miss reading these silly books and completing all the fun activities they inspire.
- **Shark Week –** Campers will learn all about sharks and everything shark related. We will dig up and discover three real shark teeth.
- **Ultimate Recess –** Campers will learn to play individual games where fun and sportsmanship are the main goals.
